

# Beads of Courage® Program

The Beads of Courage® flagship program is a resilience-based intervention designed to support children and teens coping with serious medical conditions and their families. The program uses colorful beads that serve as meaningful symbols honoring courage displayed along their unique treatment path.

## Beads of Courage

### 2022 United States Overview

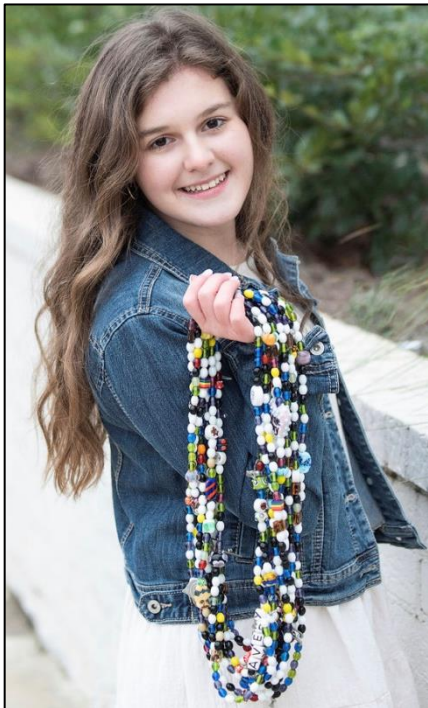

Beads of Courage® is provided at 193 hospitals and organizations accounting for 362 Beads of Courage® Programs in the United States.
